A message from our booking agent,

" Parking lots are just across the street from the main church building.

We will play in the Multi Purpose Room to the right of the Sanctuary.

We will play in a large room just to the left of entrance.

There will be a guard who will signal us in. The door is locked to keep kids in and others out!. Take El Cerro turnoff and go straight across to W El Pintado Blvd. from 680."
